Additional Creative Assignment for Grade 3

Make a Self Portrait from Nature

What You Need:

- cardboard
- Pencil
- Mirror
- Shoebox
- Glue
- Elements from nature
- (grass, rocks, dirt, twigs, leaves, pine cones...)

What You Do:

1. Introduce the self-portrait activity to your child. Take a piece of cardboard or poster board so you can first make a sketch. Set up a mirror with the help of your parent and draw so that you can accurately capture your face on paper.
2. Take a shoe box and have a look around the natural environment so you can start gathering items to use in your self-portrait.
3. Then, put different objects to make the face, eyes, hair seeing the above picture.
4. When the natural self-portrait is finished, your portrait is ready for decoration.
